Age in Days Worksheet 2027

Years, months, days, leap days and weeks, step by step

Your dates

Birth date _____

Date you count to _____

METHOD

Age in years, months and days

- [ ] Count whole years from the birth date to the last anniversary
- [ ] Count whole months from that anniversary
- [ ] Count the days left until the count-to date

Total days and weeks

- [ ] Whole years x 365
- [ ] Add 1 day for each Feb. 29 after the birth date and before the count-to date
- [ ] Add the days from the last anniversary to the count-to date
- [ ] Divide the total by 7: whole weeks, then days left over

LEAP DAYS IN YOUR SPAN

FEB. 29 YEAR	DIVISIBLE BY 4?	CENTURY YEAR? DIVISIBLE BY 400?

YOUR ANSWER

YEARS, MONTHS, DAYS	TOTAL DAYS	WEEKS AND DAYS	COMPLETE MONTHS

Rules and limits

- Leap year: divisible by 4, except centurial years not divisible by 400 (U.S. Naval Observatory).
