International Day of Education 2027 Activity Sheet, Jan. 24

Ideas for a classroom or family, built on the UNESCO and UN lines

Sunday

January 24, 2027

International Day of Education

Facts

- UNESCO says education is a human right, a public good and a public responsibility.
- UNESCO reported the number of children out of school rose to 273 million.

GET READY

- [ ] Check UNESCO's site for the 2027 theme (not yet announced)
- [ ] Read UNESCO's line about education as a right and a public good
- [ ] Ask each child what they most want to learn this year

ON THE DAY (OUR IDEAS)

- [ ] Read together for 20 minutes
- [ ] Thank a teacher by card or message
- [ ] Learn one fact about a school somewhere else in the world

AFTERWARDS (OUR IDEAS)

- [ ] Write down one thing each person learned
- [ ] Pick a new learning goal for the year

Our theme for Jan. 24, 2027, once UNESCO names one
