Eid al-Fitr: Tuesday, March 9, 2027 (1 Shawwal 1448). If your community completes 30 days, Eid is Wednesday, March 10.

Times are calculated for New York City with the Islamic Society of North America (ISNA) method (Fajr and Isha at 15° below the horizon; standard Asr) and rounded to the minute. Many mosques stop eating a few minutes before Fajr; follow your local masjid's timetable. Highlighted rows are the last ten nights. Daylight saving time begins March 14, after Ramadan.
