Red dates moved to the business day before a weekend or federal holiday. Because of those moves, SSI recipients get **no payment in January, May or August 2027** and **two payments in April, July and December**; the second one each time is the next month's benefit, paid early. The January 2027 SSI payment arrives on Thursday, Dec. 31, 2026, and the January 2028 payment on Thursday, Dec. 30, 2027. Dates match SSA's official schedule, Publication No. 05-10031. Payments include the 3.6% COLA all year.
