World Science Day 2026 Activity Sheet, Nov. 10

UNESCO's 2026 theme, its four aims, a short quiz and things to try

Tuesday

November 10, 2026

World Science Day for Peace and Development

Facts

- UNESCO's 2026 theme is "Common ground through science diplomacy."
- One aim is to "Strengthen public awareness of the role of science for peaceful and sustainable societies".
- One aim is to "Promote national and international solidarity for shared knowledge and scientific cooperation".

QUICK QUIZ FROM UNESCO'S PAGE

Q1 On which date is the day celebrated every year? _____

Q2 What is the 2026 theme? _____

Q3 Complete the aim: Strengthen public awareness of the role of science for ... societies. _____

Answers are at the bottom of the page, upside down. Fold or cut them off.

THINGS TO TRY (OUR IDEAS)

- [ ] Talk about how science helps your community
- [ ] Hold a shared-knowledge swap: each person teaches one fact
- [ ] Run a team experiment where every member has a role
- [ ] Ask a local scientist or teacher a question

What we tried and what we learned
